935-PD13  
Power, HDMI and USB port

## Unique patent pending technology

These complementary satellite outlets are well suited for both individual desks and conference tables. Their combined use offer a complete technical solution, when a wide range of options is required.

The satellite is easily mounted in table tops and can after that be adjusted in three levels depending on desired feature or needs.

Can also be supplemented with decor frame for installation of 1, 2 or 4 satellites in groups. (Feb 2015)
