

smanos®

Dream Big. Live Smart.

Door/Window Contact

Model No: DS2300

Product Description

The DS2300 works well with door, window or any other open/close object. When triggered (separated), an alarm signal will be sent to the system for appropriate response. It also comes with tamper protection to ensure system integrity, and can work with smanos alarm systems.

Features:

- *Super thin design
- *Tamper protection
- *Easy to install
- *Wireless range up to 80 meters (open area)
- *1 year battery life
- *Low battery notification
