Delock External Enclosure mSATA > Multiport USB 3.0 + eSATAp

Description

This small aluminium-enclosure by Delock enables you to install a mSATA SSD and provides up to 4 different connecting options due to its special Multiport USB 3.0 + eSATAp interface. The Multiport is a combination of eSATA and USB 3.0 interface, which supports a fast data transfer and a voltage supply of up to 5 V. For extra voltage supply, when connecting via eSATA, you will find an additional power cable included in delivery.

Connecting options:
1. USB 3.0 (power via USB)
2. USB 2.0 (power via USB)
3. eSATAp (Power Over eSATA combo-connection eSATA+USB -
   eSATA for data and USB for power)
4. eSATA (eSATA for data and power via included USB power cable)
