

ERGOTRON®

LX Dual Stacking Arm LX Dual Stacking Arm, Tall Pole

- Position monitors for maximum comfort with unparalleled range of motion
- Helps reduce eye, back and neck strain
- 13" (33 cm) height range
- Patented Constant Force™ lift-and-pivot motion technology positions displays with a light touch
- Articulating arms free up space in constrained areas
- Passes Ergotron's 10,000-cycle motion test, which ensures years of trouble-free height adjustment
- 10-year warranty

TALL POLE DIFFERENTIATORS

- Tall 22" (55,9 cm) pole lets you mount 1–2 additional displays (requires an LX Arm, Extension and Collar Kit for each)
- Also ideal for larger displays
- Great for standing position

TALL POLE VERSION ALLOWS YOU TO MOUNT UP TO TWO ADDITIONAL DISPLAYS (REQUIRES AN LX ARM, EXTENSION AND COLLAR KIT FOR EACH)

UNPARALLELED RANGE OF MOTION
ENHANCED PRODUCTIVITY WITH MULTIPLE MONITORS

The LX Dual Stacking Arm is the perfect desk accessory to add flexibility to your displays. Sleek and streamlined, it frees up space and allows you to easily position multiple displays for greater productivity. It's ideal for home and office use, especially in areas where several people use the same system.

The Tall Pole version is designed for use in control centers (such as security, air traffic, and emergency), trading floors/finance, call centers, medical departments, as well as for software development, gaming — and more!
