

# PowerWalker Battery Pack

For PowerWalker VFI 1000RTS LCD

12pcs. of 12V/9Ah batteries inside battery pack

Increase backup time autonomy

Connection cable inside package content

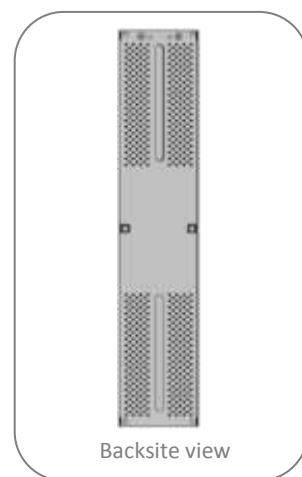

Item-No. 10120586

With this battery pack you can increase backup time for your connected equipment. Connection will be established by just one ANEN cable which is already fixed at Battery Pack. If you later see demand to increase again backup time you can connect another battery pack to the second battery connector on rear panel of battery pack.

**Supports following models:**

VFI 1000RT LCD, VFI 1000RTS LCD  
VI 1000RT LCD, VI 1500RT LCD
