Power connector

Power via USB bus, with 5V power jack for optional power adapter

ICY BOX **IB-DK404**

USB 3.0 4-in-1 mini Docking Station for 2.5" SATA HDD/SSD

Fast data transmission

Up to 5 Gbit/s can be achieved with USB 3.0. This makes data transfer fast and reliable! The adapter supports HotSwap and Plug & Play, enabling driver-free usage and fast disk replacement.

Well protected

Together with the protection box (HDD height up to 9.5 mm), the hard disk is well protected against shock and dust on the road. With the universal USB 3.0 connection you can find a possibility to exchange data almost anywhere.

A surprising adapter

On the other side of the adapter there is an SD card slot, a USB Type-C™ and a USB Type-A port. In addition to the hard drive/SSD, peripherals such as USB sticks or the card with holiday photos can be connected.
