ICY BOX **IB-2501U3**

1 bay USB 3.0 DockingStation for 2.5" SATA HDD/SSD

Dock and load in record time

This DockingStation is a 2.5" specialist. It is able to handle 2.5" HDD/SSDs of with heights up to 15 mm. Furthermore the IB-2501U3 is always ready, because the cable can't be lost and no power supply is required.

Matt black

This new 2.5" DockingStation presents itself in an elegant matt black design of high quality plastic. A real visual treat in practical pocket format.

Always up to date

A blue LED gives the user information about the current (power) and the access (read / write) of the hard disk. Four rubber feet at the bottom ensure a firm grip of the dock on slippery surfaces. Any operating system can communicate with the docking station, and no additional driver is needed for the operation.
