

CERTIFICATION

Description of the Faber-Castell PITT Artistpen (Ref.-No. 16 71 ..) and a Certification of the product-safety.

The Faber-Castell PITT Artistpen is a marker with a plastic barrel (PP, PE) and water-based, pigmented ink.

The PITT Artistpen is a consumer good and no dangerous product or chemical. Therefore a Safety Data Sheet isn't necessary under the existing regulations of the EU.

Faber-Castell takes heed of all German and EU laws and regulations during production of products and for products.
